

Pop-up Food Truck

You have been hired to start a gourmet food truck business. Your mission is to promote the cuisine of Singapore to travellers.

What is a Food Truck?

A food truck is a kitchen on wheels. It contains an oven, stove, sink, refrigerator and everything else you need to make and sell food to hungry customers.

Your task is to create a menu for the gourmet food truck. Include a mixture of different Singaporean dishes and your own favourite foods.
